

Astronauts of Antiquity (A.O.A.) know their way around a memorable melody and deliver with the savvy of consummate musical big guns...Swing Out Sister meets Radiohead...Astronauts have all the elements to rocket towards the sun."

- Billboard Discoveries

"A.O.A. refines and retools the bravado and texture of music generated by the likes of Prince, Sade...

India is a singer who coos with presence and cool repose...Lady Kier of Dee-Lite, Erykah Badhu and Diana Krall with a huskier, come-hither, grasp of things."
